THE SOLUTION

pro.tuto.asia —
Scenario-First Professional
English, Powered by AI

We don't teach English.

We train professionals to
communicate in the moments that
matter.

BUILT FOR EVERY PROFESSION, NOT JUST ONE

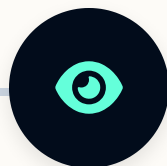

The Method That **Actually Works**

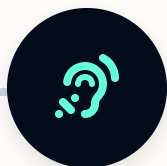

1. SCENE

Learner enters a realistic scenario (hospital, hotel, meeting room)

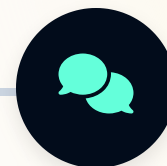

2. WATCH

AI-animated dialogue with bilingual subtitles (EN + native)

3. SHADOW

Listen and repeat with real professional voice actors

4. PRACTICE

Fill-in-the-blank, roleplay, and conversation simulation

5. PRODUCE

Record themselves, get AI feedback, earn certification

“

*"Based on proven methods: **Audio Shadowing** (Arguelles & Ball), **Scenario-Based Learning** (Jonassen), and **Comprehensible Input** (Krashen) — combined with AI for the first time at scale."*

WHO WE SERVE

Every Professional Who Works in **English.**

Healthcare

"On a scale of one to ten, how would you rate your pain?"

Hospitality

"Allow me to show you to your room, Mr. Johnson."

Real Estate

"This property offers excellent ROI for long-term investors."

IT & Tech

"I'll escalate this ticket and have a resolution by EOD."

Aviation

"Cabin crew, prepare for landing."

Finance & Banking

"Let me walk you through your account options."

Education

"Let's break this concept down step by step."

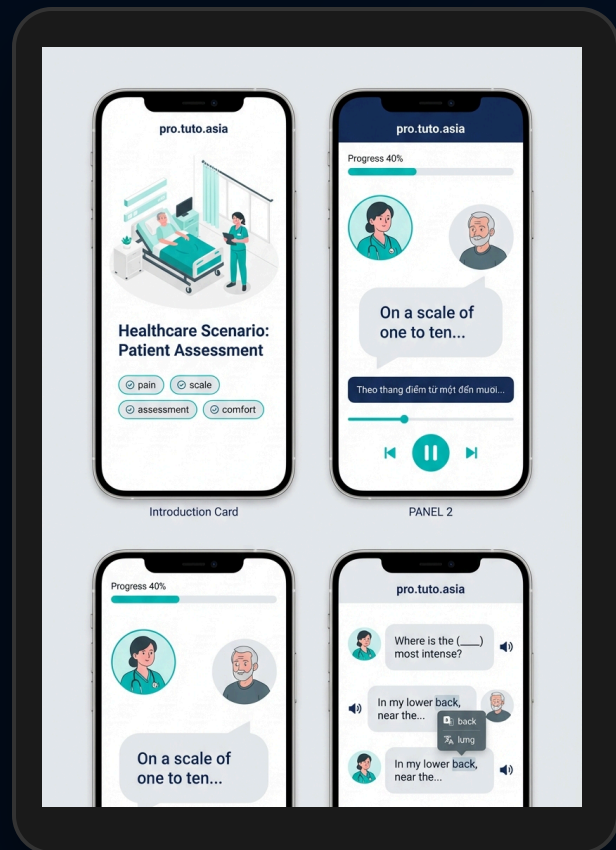

Mfg & Logistics

"The shipment is cleared and en route to the warehouse."

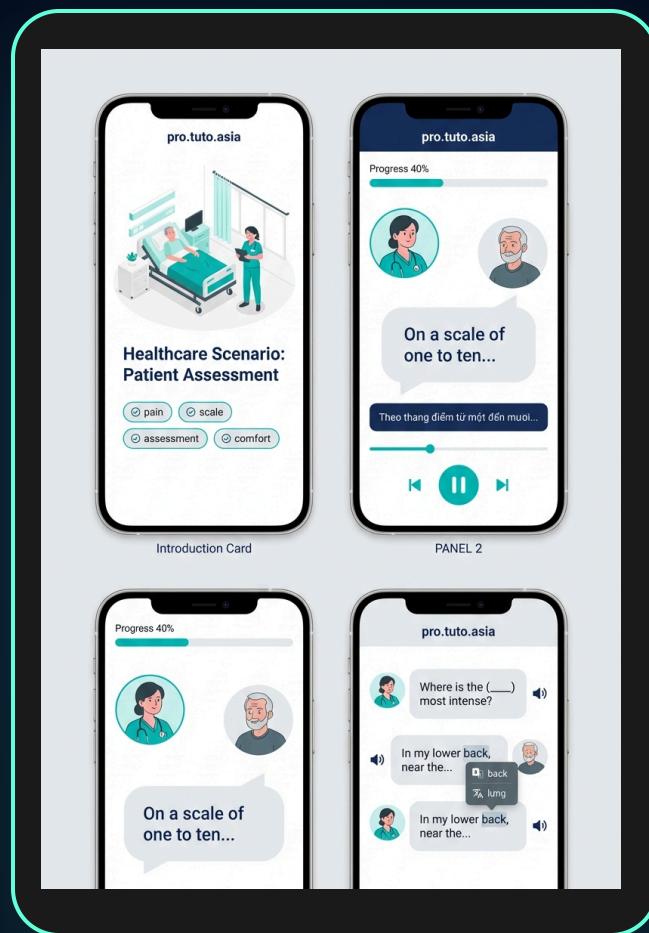

Same platform. **Same method.** Different scenarios.
